#### **EVENT OVERVIEW**

**10th ELASIA-2024** (International Exhibition on Electrical, Power, Controls & Lighting) was organized by Triune Exhibitors Pvt. Ltd. in association with ELCA (Electrical Consultants Association of India) from 24th to 26th May 2024 at Bangalore International Exhibition Centre (BIEC), Bangalore. "The event showcased cutting-edge advancements in the Electrical & Power Sector, serving as an exceptional platform for manufacturers, suppliers, and users to engage within the burgeoning Indian market. With a primary focus on disseminating awareness about the Latest Innovations in Power Generation, Distribution and Utilization, the exhibition aimed to bridge the gap between Practicing Technocrats and Targeted Audience bringing technological developments in the Electrical Industry directly to their doorstep."

#### The Inauguration was held amidst a host of luminaries namely

Chief Guest

Shri. R. Sudhir Kumar . Additional Director & Officer-in-Charge, Office of the Director General, Central Power Research Institute, Govt of India, Ministry of Power
